

### To whomsoever it may concern

This is to certify that **Akshat Gupta** worked as a **Software Development Intern** from **1st June 2020 to 31st July 2020** with **Josh Talks**.

During the internship period, he worked on the Josh Talks website and helped creating the Josh Skills web portal from scratch.

We found that he always completed his work on time and was ready to make changes at the oddest of hours with the strictest of deadlines while simultaneously managing college. Being a team leader with a strong sense of responsibility, he also got along very well with his colleagues.

In conclusion, I would like to express that I am certain Akshat would make an invaluable asset in all his future roles. I'm confident he will surpass your expectations and I wouldn't wouldn't hesitate to recommend him further.

Regards
